I'm really excited about the speaker line up today! JD, I've read your book and am starting to implement the MLE, which is a brilliant model. Chris, I recently discovered you and have started following you on LinkedIn; I definitely want to focus more on unplugging from chaos. And Alaina, learning measurement is an area I could really improve in!

@Alaina Szlachta Do you have experience creating hypothesis and research questions as part of a Design Thinking process, or is that more focused on traditional research and evaluation?

11:12:46 From Alaina Szlachta to Everyone:

Yes Chet! Here is a link to download a preview of my book that talks about how to do that! dralaina.com/book

11:13:16 From Alaina Szlachta to Everyone:
